2nd grade math practice worksheets: One-Sheet-A-Day Math Drills Neki C. Modi, Alpa A. Shah, 2017-12-11 This One-Sheet-A-Day math drill workbook is for 2nd grade students who want extra practice with two numbers, two digits subtraction. It contains 200 math practice sheets, one for each school day of the year. Upon completion, the student will be more competent in 2nd grade mathematics and ready to proceed with more difficult exercises. Unlike other math drill books, this is one of 24 workbooks created to establish a daily routine for each student to practice on their own from grades 1 through 7. It is specifically designed to gradually increase mathematic ability with the least amount of stress for both parent and student. Kids need to practice at home to support what they are learning in school, but finding resources to help with that goal can be daunting. It takes a lot of time searching online for free resources to print or for books with enough exercises. Beyond that, the options include going to libraries, enrolling them in an afterschool class or hiring a personal tutor. Who has the time and money for all of that? The answer is, not many parents. Each and every parent wants to provide enough practice work to their kids, but on top of the challenges in finding resources, questions remain about how much practice a child needs to boost educational success: twenty sheets of practice work a day? One sheet a week? What's the optimum practice work during a whole academic year? Confused? The authors have a decade of classroom expertise and have spent a large amount of time researching and wasting resources trying all the options for their own kids. Now you can benefit from what they have learnt. The result is finding out that ONE-SHEET-A-DAY is the optimum way to support classroom learning, and it is amazingly simple. This book eliminates the need to take home prints or run around franchises, bookstores and libraries

trying to find enough material. It also prevents you from overwhelming your kids with too many math drill worksheets. There are approximately 200 school days a year. Simply have your child complete ONE per day. Work is far easier when it is part of a routine, especially for kids. The One-Sheet-per-Day program is an easy routine to start and maintain because it takes less than 20 minutes per day, using basic skills your child already knows. Simply take one sheet from the book, ask your child to complete it in a quiet place, and return it to you to check the answers, a painless routine for you and your child, and instant feedback for both of you. Geared to follow most math curriculums, most kids can do the appropriate sheet on their own based on what they are learning at school. One-Sheet-A-Day math practice drills will give your child practice they need to score higher on test day, and build confidence in their math abilities.

2nd grade math practice worksheets: Second Grade Math Games and Puzzles Amy Kraft, Sylvan Learning, Inc, 2010 A solid foundation of basic math skills is essential for early success in math. Children who can connect their understanding of math to the world around them will be ready for the challenges of mathematics as they advance to more complex topics. The games and puzzles in this workbook are designed to help children enjoy practicing their math skills. Best of all, they'll have lots of fun doing it! Here's a peek at what's inside: Hidden Design Children count the hundreds, tens, and ones, then color the squares that match the numbers to see the hidden design. Who Am I? A series of questions challenges children's knowledge of greater than and less than, rounding to tens and hundreds, place value, fractions, and time differences. Children then rule out numbers to answer the question Who am I? What's the Password? Children use their knowledge of fractions choosing letters from fractions of words to find the secret password. Puzzling Pentominoes Using the pentomino cards provided, children fill two-dimensional shapes and determine their perimeter or area. Plus! Game Pieces The workbook includes beans, spinners, pattern blocks, and pentominoes for children to cut out and use with the games and puzzles. Give your child's confidence in math a boost with 2nd Grade Math Games & Puzzles.
