**bill evans piano sheet music: *Times Remembered*** Joe La Barbera, Charles Levin, 2021-10-15 In the late 1970s legendary pianist Bill Evans was at the peak of his career. He revolutionized the jazz trio (bass, piano, drums) by giving each part equal emphasis in what jazz historian Ted Gioia called a "telepathic level" of interplay. It was an ideal opportunity for a sideman, and after auditioning in 1978, Joe La Barbera was ecstatic when he was offered the drum chair, completing the trio with Evans and bassist Marc Johnson. In *Times Remembered*, La Barbera and co-author Charles Levin provide an intimate fly-on-the-wall peek into Evans's life, critical recording sessions, and behind-the-scenes anecdotes of life on the road. Joe regales the trio's magical connection, a group that quickly gelled to play music on the deepest and purest level imaginable. He also watches his dream gig disappear, a casualty of Evans's historical drug abuse when the pianist dies in a New York hospital emergency room in 1980. But La Barbera tells this story with love and respect, free of judgment, showing Evans's humanity and uncanny ability to transcend physical weakness and deliver first-rate performances at nearly every show.

Generally, each proposed technique is first introduced by a model figure derived from original sources, followed by an explanation of its pattern, and finally by some sample applications using well-known songs, harmonic progressions, or original pieces. For the sake of completeness, most of these left-hand applications are integrated with sample right-hand parts that validate the efficacy and concrete application of the left hand figures. Numerous styles of jazz piano are taught, including: stride piano, Latin stylings, blues, boogie, swing, walking bass, jazz waltz, rootless voicings and many other concepts. Characteristics of jazz legends including Erroll Garner, Jelly Roll Morton, Earl Hines, George Gershwin, Fats Waller, Eubie Blake and many others are explored. As with all books in this series, it includes a unique lay-flat binding to help keep the music open on the music stand.
